

SpecRail Style Guide

Minimal identity system for the approved Guided Path / Checkpoint mark.

Brand attributes

Precise · Trustworthy · Technical · Premium · Minimal

Color palette

Token	Hex	Usage
Graphite	#17191C	Primary text, strokes, dark UI
Signal Green	#39D98A	Accent, approval state
Soft Surface	#F4F5F2	Page background
Muted Steel	#707780	Secondary text
White	#FFFFFF	Contrast on dark surfaces

Usage rules

Use the primary wordmark on light surfaces, the dark wordmark on graphite surfaces, and the icon as a favicon or compact app mark. Preserve clear space equal to at least the radius of the central ring. Avoid gradients, distortion, extra outlines, and decorative effects.
